Cornerstone

Wishes you a

Happy New Year

Wishing my dear Cornerstone family once again a very blessed year, may all your heart's desires come true, and may you continue to be a blessing unto many. May the Lord God bless you and your families abundantly. I heard this sermon from our dear pastor which made me deliberate upon, the sermon goes, "Let go of the past and move forward, because all things are made new". A lot of us, many a time, regret what we have done in the past and thereby continue living in the past.

We have to learn from the experiences that we have gained in the past but always remember to let go of the things that we could not achieve and move forward. The very breath that we have, inspires us to move forward in life and thrust ourselves to restart to move forward to see what we can achieve and surprise ourselves with what we are capable of, "THE BEST VERSION OF OURSELF ". To develop an attitude that is better than before, stronger than before will make us a better person, not just for ourselves, but for our families too. By the end of our lives, the most important aspect that will still keep us cheering is the relationships that we have built. Making these little changes, construct better families and therefore better societies which will eventually build a better future because our children are growing up in an environment that is interestingly safer and good for growth. As Cornerstone we promise to make our School a better environment for all of us, especially our children.

Seventeen years have passed, since the inception of LILY THE SCHOOL FOR TODDLERS, and yet every day is a learning for all of us at Cornerstone. We strive hard to make everything beautiful in its season and we learn to appreciate each other on a day-to-day basis. We are waiting for all the good things that are in store for us in this year, 2024, and the way it unfolds. We assure you our prayers to you all and your extended. God bless you!

Warm Regards
Sharmila Solomon

A Budding Writer:

Debadrita Chakraborthy of Grade 7 was awarded with best-selling young author of the city. Her book titled 'The Shrouded Secrets' received acclamation and recognition. We celebrate this achievement by Debadrita, a precocious 12 year old who is also a prolific reader and has been writing since the age of 10.

Field Trips:

It is rightly said, It is in giving that we receive.

As part of CBSE SEWA programme students of Grade 9 visited an orphanage on 22nd Dec. This visit to the orphanage was undertaken as part of the SEWA (Social Empowerment through Work and Action) which is to raise awareness on addressing real world problems and serving the community. The students spent around an hour or so in the orphanage, talking to the officials, observing the working of the orphanage and getting to know more about the children there.
The students presented the children with goodies, planned a few games for them and presented a heart warming skit.
The visit underlined the significance of the interdependence of all human beings and the need for us to be empathetic and compassionate towards others in need.

The visit underlined the significance of the interdependence of all human beings and the need for us to be empathetic and compassionate towards others in need.

Innovation Contest 2023:

Students of Grade 8 Mokshagna Advaith, Yogesh, Ashwath, have come up with an innovative idea of life saving watch for the science fair 'The Salvator Watch' which is a revolutionary safety device that addresses a critical issue on the road. It allows drivers to control their car in emergencies by suddenly jerking it in the desired direction. This can help drivers avoid accidents and prevent severe damage to the vehicle, ensuring the safety of passengers on the road. This was sent to the Innovation Contest conducted by Student Innovation Council (SIC), the Innovation Instilling arm of CBSE.

Drive to Dundigal Air Force Academy:

Students of Grade 10 had the privilege of witnessing the Final Drill Parade of the Combined Graduation of the Cadets Dec 2023. The students were in awe witnessing the precise drill movements, high standards of parade and incredible aerobatics. A sense of patriotism coursed through their veins as they watched the real heroes of the country taking oath administered by the Commandant of the Academy. The cadets indeed were a beacon of inspiration to the young Cstians.

PEOPLE FIRST

Class Photograph

A class photograph doesn't just capture the moments, it captures the feelings. Class photograph captures beautiful memories of the child's school milestone...an image that parents and students want to frame and cherish. This session's class group photograph was scheduled accordingly ensuring it served as a memorable keepsake.

Pleasure Trip:

Students of Grade 10 were taken on a one-day trip to Hidden Castle on 21st Dec 2023.
The trip was a huge welcome break for both the students and teachers to plunge headlong into a plethora of activities and games.

The day was packed with a combination of fun-filled activities like zip lining, trekking, one-minute games, campfire, DJ and many more enhancing games.
It was heartening to see the students going all out to attempt the sports challenges with excitement and enthusiasm.
This was indeed an exciting and fun-filled experience for the learners as they made memories while having a lot of fun!

Cornerstone Math Olympiad:

Continuous effort not strength or intelligence is the key to unlocking one's true potential. To ensure the continuity is maintained, the school initiated its very own Cornerstone Math Olympiad in the year 2022.

Through our initiative we aimed at helping the students realize the fact that Mathematics is not about numbers, equations, computations, or algorithms: It's about understanding.

The olympiad was conducted across grades 2 to 9. The final round was conducted on 22nd Dec 2023.

The winners being:

CMO 2023-24
FINAL RESULTS

GRADE	WINNER	1st RUNNER UP	2nd RUNNER UP
G2	YELURI DHANVI 2C KIWIS	KETHAN VASISHTA MAUPEDDI 2E PEACHES	LAKSHITA A 2E PEACHES
G3	SAISH NAYAK 3C THRIVERS	DANNY KATAM 3C THRIVERS	ACHYUTHA KRISHNA BANDI 3B THRILLERS
G4	VARSHITHA BOGA 4E TULIPS	CHALLA NISHANTH 4A CARNATIONS	DARA HAVISH 4C DAISIES

G9	SRIVANTH AKELLA PIONEERS	AKSHAT NAYAK TRAILBLAZERS	SHUBHAM MISHRA TRAILBLAZERS

Sports Field:

Hosting the Inter School Kho-Kho tournament rejuvenated the students' love for team work, sportsmanship and camaraderie. The two day event CBSE Sahodaya BHEL Cluster Kho-Kho Tournament was quite thoughtfully and meticulously organized so as to provide a wonderful platform for the upcoming sporting stars. The school was a host to nearly 21 schools across the cluster belt of Chandanagar to Sangareddy.

The event started off with guests of honor, school flag hoisting and Sahodaya flag hoisting followed by school song and welcome song and dance. The ceremony gathered more meaning with the inspirational and motivational words of the founder and director of the school Ms. Sharmila Solomon who advised the participants to keep up the sportsmanship spirit and declared the tournament open.

The school campus echoed with thunderous claps as the audience enjoyed witnessing the 'WE' spirit in the players.
The winners took it all. There was a sensation of victory as the names of the winners were announced. To begin with:

GIRLS TEAMS -
Winners - VRS Vignana Jyothi School
1st Runner Up - Ratnapuri Vidyalayam
2nd Runner Up - Genesis, Beeramguda

BOYS TEAMS -
Winners - VRS Vignana Jyothi School
1st Runner Up - MNR, Chandanagar
2nd Runner Up - Vikas the Concept School

Millet-Utopia

The University of Hyderabad held an inter school competition for classes 8-10 on the theme Millets for Food and Nutrition. Around 18 students from the school took part in various competitions like debate, quiz, skit, drawing, paragraph writing, declamation with zest and zeal. The event indeed served as a platform in creating awareness amongst the students about the millets and also to include the same as part of their regular nutritious meal.

Inter School Science Exhibition:

Students of Grade 9 participated in a two-day CBSE inter-school science exhibition held at Reqelford International School, on 20-21 Dec 2023. This was the regional round with almost 100 schools participating in it. The model idea presented by our school students named LEAP: Learning Enhanced by Action and Experience was selected for the Final Round along with 19 other schools. The model received acclamation from the Jury lifting the spirits of the young Cstians and instilling the resolve in them to work towards bettering themselves.

New Year Party:

New Year has an immense significance in the personal, cultural and religious life of people hence is celebrated with sheer passion. It is the time to rejoice and celebrate, so children are also taught about the implication of the day whilst celebrating the New Year in school. Brimming with this feeling, a New Year Class Party for students was held on Saturday, 23rd December 2023.

The Trestle Team added spark to the merriment with Christmas carols, mimes and music. Students had a blast sharing snacks and signing carols. We thank the Trestle Team for bringing smiles and joy in our lives with their exuberant performances.
