CORNERSTONE TIMES

A Year Well Spent,
A New Chapter Awaits!

MARCH 2025

From every farewell, a fresh hello emerges!

Goodbyes are never easy, especially in a school where students breathe life into every corner, every corridor, and every playground.

As our Grade 10 students are giving their board exams, they stand at the threshold of new opportunities, their journeys take different paths. While some will continue with us, embracing the next chapter as proud Cstians in Grade 11, others will venture beyond, chasing their dreams and striving for greatness.

These students, who have spent over a decade in our care, have been more than just learners—they have been the heartbeat of this school. Together, they've made every sports day more competitive, every annual day more dazzling, and every celebration more vibrant.

As they step into the next phase of their academic and personal lives, we are confident that they will carry with them the lessons and values learned here.

No matter where the road leads, one thing remains certain—our school will always hold a special place for each student who has been a part of this family. Their time here has shaped them, and their presence has left an indelible mark on our institution.

With hearts full of pride, we wish them all the very best for their exams, and endless opportunities in the future.

Once a Cstian, always a Cstian!

While farewells are bittersweet, our school is also buzzing with excitement as we welcome the new batch of students. With new faces come new energy, fresh perspectives, and the promise of another year filled with growth and exploration. The enthusiasm from our incoming students is palpable, and we are thrilled to have them join our vibrant community. We look forward to watching them evolve into the leaders, thinkers, and changemakers of tomorrow.

As we bid farewell to one chapter, we eagerly anticipate the new stories that will unfold in the year ahead. Together, we continue to grow, learn, and thrive—both in saying goodbye and in embracing the future with open arms.

Beyond The Now Into The Extraordinary!

The Grade 10 Commendation Ceremony was a heartfelt tribute to our students, celebrating their journey, achievements, and growth over the years. More than just an event, it was a moment of pride and reflection - a testament to the perseverance, resilience, and brilliance of our young learners.

The highlight of the ceremony was the unique way each student was honored. Every child was called onto the stage, not just by name but with a personalized title - a reflection of their character, academic excellence, and contributions to the school. From "The Visionary Leader" to "The Unyielding Perseverance," each title encapsulated their individual strengths, leaving them with a sense of recognition and motivation as they step forward into new horizons.

As they embark on the next phase of their academic journey, we extend our heartfelt wishes to these bright minds, confident that they will continue to shine and make a difference in the world.
